Resolution 13-313
Limits of Provider Responsibility
Escambia County Medical Society, et al.
Reference Committee III – Legislation

House Action: Adopted

RESOLVED, That the Florida Medical Association seek legislation which automatically terminates the active provider-patient relationship 3 years from the date of the last provision of care; and further stating that the provider is not responsible for the provision of services to any patient that no longer has an active relationship with their provider.

Resolution 13-314
Unlicensed Health Care Clinics That Accept Only “Cash”
South Florida Caucus
Reference Committee III – Legislation

* House Action: Referred to the Board of Governors.

RESOLVED, That the Florida Medical Association support legislation to substitute the words “remuneration, either directly from the patient, in cash or in kind, or through a third party, such as an insurance company” for the word “reimbursement”, effectively making clinics that do not receive insurance reimbursement also required to register with the Agency for Health Care Administration (AHCA) as a Health Care Clinic, thereby protecting the public from unlicensed activity.

Resolution 13-315
Board of Medicine Governance of Non-Physician Health Care Professionals
Sarasota County Medical Society
Reference Committee III – Legislation

House Action: Adopted as amended.

RESOLVED, In the event that legislation is introduced in Florida to allow for non-MD/DO health professionals to practice independently, the Florida Medical Association will seek legislation placing any rights or privileges of all non-physician health care professionals engaged in the independent, unsupervised, or indirectly supervised delivery of health care under the governance of the Board of Medicine or the Board of Osteopathic Medicine.

Resolution 13-316
Ensuring Medicaid Payment Rate Increase
Florida Chapter American Academy of Pediatrics
Reference Committee III – Legislation

House Action: Adopted as amended.

RESOLVED, That the Florida Medical Association support legislation and help guide discussions in the 2014 legislative session between the Governor, the Senate, and the House to ensure that Medicaid payment rates, including Title XIX, Title XXI (MediKids and Healthy Kids), and Children's Medical Services, are increased to not less than Medicare levels in 2015 and beyond for all Florida physicians.

Resolution 13-317
Ensuring Medicare Rates for all Physicians
Hillsborough County Medical Association
Reference Committee III – Legislation

* House Action: Referred to the Board of Governors.

RESOLVED, That the Florida Medical Association seek legislation directing that commercial insurance companies must pay all physicians for professional services rendered at not less than 2009 Medicare rates adjusted annually at an increase of not less than 90% of the most recently published Medical Price Index (MPI) for the same or similar services and that failure to meet this payment adjustment shall be considered defacto waiver of any prior contractual prohibition of balance billing to the patient.

Resolution 13-318
Payment for Medicaid HMO Newborn Services
Florida Chapter of American Chapter of Pediatrics
Reference Committee III – Legislation

House Action: Adopted as amended.

RESOLVED, That our Florida Medical Association support legislation in 2014 that would ensure physician payments for newborn care in the infant's first 30 days of life to physicians by all Florida licensed Medicaid HMO's contracting with the Agency for Health Care Administration, irrespective of the physician's contracting status with the Medicaid HMO.

Resolution 13-319
IRS Enforcement of ObamaCare

Reference Committee III – Legislation

House Action: Not adopted.

Resolution 13-320
Ensuring the Availability of Medical Professional Services and the Safety of Office Based Surgery

Florida Society of Anesthesiologists
Reference Committee III – Legislation

House Action: Adopted as amended.

RESOLVED, That the Florida Medical Association support legislation requiring all insurance companies to recognize that higher costs exist for professional medical services performed in an office and further to negotiate in good faith with any provider of office based services to contract higher levels of payment to provide those services in the office.

Resolution 13-321
Health Care Insurance Company Elimination of Methods for Review and Appeal of Payment Denial (Including Second and Third Level Reviews) as a Method to Attempt to Circumvent Florida Prompt Pay Law

Florida Chapter, American College of Cardiology
Reference Committee III – Legislation

* House Action: Referred to the Board of Governors for study and action.

RESOLVED, That the FMA will study model legislation from other states and take action to enact similar Florida legislation consistent with, and to strengthen, current prompt pay law by specifically mandating the availability of an IN-HOUSE review / appeal process of payment denial (including 2nd and 3rd level reviews).

Resolution 13-322
Doctor of Nursing Practice (DNP)
Specialty Society Section
Reference Committee III – Legislation

House Action: Adopted as amended.

RESOLVED, That due to the extreme likelihood that patients treated by a Doctor of Nursing Practice (DNP) will be misled into thinking that their “doctor” is a physician, the Board of Governors of the Florida Medical Association (FMA) direct staff to introduce legislation mandating that all persons other than M.D.s, D.O.s, dentists and chiropractors holding themselves out as “doctors” wear a conspicuous name tag or signage which has letters no smaller than 4mm per letter and which fully spells out the exact name of their formal degree (Doctor of Nursing Practice, etc.) and that they further be required to orally state that they are not physicians with each and every encounter.

Resolution 13-324
Compound Medications: Support for Laws Allowing “Office Use”
Kenneth N. Woliner, M.D.
Reference Committee III – Legislation

* House Action: Referred to the Board for study and action.

RESOLVED That the Florida Medical Association House of Delegates direct its Council on Legislation to monitor legislation moving through the US Congress and the Florida legislature, lobbying for support of legislation that ensures patient safety but does not unduly burden physicians and patients by outlawing office use compounding.

Resolution 13-401
New Rules for Emergency Room Care
Stephen Babic, M.D., Delegate
Reference Committee IV – Medical Economics

House Action: Adopted as amended.

RESOLVED, That the Florida Medical Association oppose rules for hospitals and doctors regarding time lines for care in the emergency department until adequate evidence-based proof of such change will improve patient care; and further, through its delegation to the American Medical Association (AMA), request the AMA do the same.

Resolution 13-402
Support FFS as the Most Appropriate Way to Reimburse Physicians
Hillsborough County Medical Association, Florida Orthopaedic Society
Reference Committee IV – Medical Economics

House Action: Adopted Substitute Resolution 13-402.

RESOLVED, That the Florida Medical Association affirms that fee for services rendered to patients is a standard, valid, and ethical practice; and be it further

RESOLVED, That the Florida Medical Association will actively oppose any Florida legislation which seeks to limit physicians’ ability to contract for services with patients, or which coerces a physician to be a party to a contract which the physician has not agreed to; and be it further

RESOLVED, That the Florida Medical Association delegation will promulgate and submit a resolution to the American Medical Association House of Delegates which directs the AMA to similarly affirm fee for service as a standard of business in the medical profession, and to vigorously oppose legislation which limits or seeks to limit the protection under law for physicians to contract for services with patients, or which attempts to make a physician a party to a contract to which the physician has made no agreement; and be it further

RESOLVED, That the Florida Medical Association reaffirms its commitment to the Patient Empowerment Act brought forth by Representative Tom Price, M.D., and calls on the AMA to similarly re-affirm its commitment to support this legislation.

Resolution 13-403
Suspend HCAHPS Rating System

Hillsborough County Medical Association, Florida Orthopaedic Society
Reference Committee IV – Medical Economics

House Action: Adopted.

RESOLVED, That the Florida Medical Association demand that CMS suspend HCAHPS rating until a valid scoring system can be adopted, and further submit a resolution to the American Medical Association to do the same.

**Medicaid Reform HMO/PSN Statewide Expansion and
Medicaid Eligibility Expansion through Federal funding**

Broward County Medical Association, Dade County Medical Association
Reference Committee IV – Medical Economics

* House Action: Referred to the Board of Governors for study.

RESOLVED, That the Florida Medical Association will publicly support the Medicaid eligibility expansion and federal support and furthermore request and urge that the State of Florida accepts those provisions of the Patient Protection and Affordable Care Act accepting federal dollar support for the Medicaid program and higher physician reimbursement; and be it further

RESOLVED, That the Florida Medical Association will publicly support any statewide expansion of Medicaid into managed care only if such programs safeguard patient access to care while increasing all primary care physicians Medicaid rate payments to Medicare rates such as internal and family medicine, pediatricians and obstetrician and gynecologists; and furthermore support such rates for specialists in order to maintain sufficient care networks in the state regions of reform; and be it further

RESOLVED, That the Florida Medical Association (FMA) will publicly support any Medicaid Reform statewide only if it addresses all of its physician's concerns; and be it further

RESOLVED, That the FMA will send a letter to the State of Florida, the Governor and CMS within one month specifically publishing and asking for these resolutions and this position, requesting the state to expand Medicaid statewide only with safeguards and higher physician reimbursements and to accept the Federal Medicaid eligibility expansion and federal funds and furthermore, ask for a 2013 special legislative session.

Resolution 13-405
Eliminate Insurance Companies' Colonoscopy Bait & Switch

Hillsborough County Medical Association
Reference Committee IV – Medical Economics

* House Action: Referred to the Board of Governors for study with a report back to the House in 2014.

RESOLVED, That the Florida Medical Association (FMA) bring to the attention of the Florida Insurance Commissioner the unethical behavior of changing the colonoscopy procedure code by the insurance companies for the purpose of cost-shifting in our state and request that this practice of changing the procedure code be abolished and those companies who partake in this behavior be severely penalized; and be it further

RESOLVED, That the FMA submit a resolution to the American Medical Association (AMA) identifying this practice of changing the colonoscopy procedure code by insurance companies, for the purpose of cost-shifting, in our nation and mandate that it be abolished and those companies who partake in this behavior be severely penalized.

Resolution 13-406
Lung Cancer Screening to be Considered Standard of Care
Hillsborough County Medical Association
Reference Committee IV – Medical Economics

House Action: Adopted as amended.

RESOLVED, That the Florida Medical Association (FMA) bring to the attention of the Florida Insurance Commissioner the importance of Lung Cancer Screening and recommend coverage of lung cancer screening for high risk patients by Medicare, Medicaid, and private health insurers be required as the key to ensuring that everyone at risk has a fair and equitable opportunity to survive a lung cancer diagnosis; and further, through its delegation to the American Medical Association (AMA) request the AMA do the same.

Resolution 13-407
Medicaid Expansion
Owen Linder, M.D., FACP, Delegate
Reference Committee IV – Medical Economics

* House Action: Referred to the Board of Governors for study.

RESOLVED, That the Florida Medical Association demonstrate substantial support for the Medicaid expansion and urge the Governor, Senate, and House to consider this issue of prime importance.

Resolution 13-408
Study to Assess Increased Medicaid Payment Rates and Access to Care
Florida Chapter American Academy Of Pediatrics
Reference Committee IV – Medical Economics

House Action: Adopted.

RESOLVED, That the Florida Medical Association ensure through effective advocacy or other means that a study is performed in 2013 and again in 2014, via a government agency, university, qualified consultant, or private company to quantitatively assess the presumed effect of the Medicaid payment increase facilitating access to care for Floridians in order to guide future advocacy and health and economic policy decisions related to promotion of health and medical access in the State of Florida.

Resolution 13-409
Improving Insurance Accountability to Physician Offices
Hillsborough County Medical Association
Reference Committee IV – Medical Economics

- * House Action: Referred to the Board of Governors for study and report back to the House of Delegates in 2014.

RESOLVED, That the Florida Medical Association (FMA) work proactively in advocacy with the Office of Insurance Regulation and the major commercial insurance companies in Florida to ensure that each physician office and/or physician group always have a primary assigned individual(s) as their insurance representative(s) or ombudsperson to the extent possible and reasonable; and be it further

RESOLVED, That our FMA work with the Office of Insurance Regulation and the major commercial insurance companies to establish a "physician-insurance protocol" delineating appropriate insurance response expectations and time of response depending on the nature of the physician inquiry, including billing, referrals, medication denials, laboratory and radiological testing denials, and contracting; and be it further

RESOLVED, That our FMA work with the Office of Insurance Regulation and the major commercial insurance companies to help ensure that this "physician-insurance protocol" is amended to be an integral part of all insurance contracts and that a significant monetary penalty be levied against the insurer if there is flagrant disregard or breach of the protocol.

Resolution 13-410
Health Delivery Evaluation Criteria Used by Medicaid and Private Insurance
Companies/Accountable Care Organizations Must Be Current and Recognized by National
Specialty Organizations

Peter Swain, M.D., Delegate
Reference Committee IV – Medical Economics

House Action: Adopted.

RESOLVED, That the FMA will promote administrative corrections with Florida Medicaid and insurance regulatory organizations to mandate the yearly review of criteria used to evaluate health care providers. Criteria can be reviewed more frequently if compelling information is discovered. Guidelines must use currently accepted recommendations by national health care associations including but not limited to the United States Preventative Services Task Force (USPSTF), American Association of Pediatricians (AAP), American Associations of Family Physicians, (AAFP), American College of Obstetrics and Gynecology (ACOG), American Association of Clinical Endocrinology (AACE), American College Physicians (ACP).
